

CAMPING ANCORA

PARKING REGULATIONS

- 1) From 1st June to 31st August **the entrance in the camping is forbidden to cars.**
- 2) **The entrance is allowed exclusively on the day of arrival and on the day of departure for equipment load and unloads operations. At the end of these operations and during for all the stay, the car has to be placed in the external car park.**

During the stay any derogation is admitted, for any other reasons (shopping, cylinders load/unload etc). Extraordinary case will be evaluated by the Front Office.

- 3) A single car parking for only one car is assigned to the customers. If you have a second car, it has to be parked outside the car parking, except in case of specific agreements with the Front Office.

Therefore, each customer is allowed to park his car exclusively in the assigned space. Any cars that will be found outside this space will be removed without any notice. Moreover, the expenses for this operation will be charged to the owner.

- 4) The parking is completely surrounded, floodlit and there are a pedestrian gate, an automatic gate and two anti-intrusion bars. Inside the parking you have to circulate according to the road regulations. The automatic gate is open every day from 07.00 am to 11.00 pm. During the remaining time (11.00 pm - 07.00 am) it will be closed. Therefore, you will have to use the badge, which opens the pedestrian gate, the automatic gate and the two bars. The Front Office reserves to modify this timing in case of needs, and this will be opportunely communicated to the Customers.

At the entrance: use the badge to open the automatic gate first and then the bar. At the exit: use the green button on the column to open the automatic gate, and then use the badge to open the bar.

Bar and automatic gate will automatically. On the contrary, you always have to follow with your hand the pedestrian gate. We recommend customers to check the closing in order to guarantee more security inside the parking.

- 5) **The parking is not guarded. It is only insured against fire and theft. Therefore the Front Office is not responsible for any other damage to cars or objects left inside the cars.**

Responsible of these damages to cars, parking and its furnishings (such as fence, bars, gates etc.), will be pay the caused damages

- 6) The Front Office gives the badge directly to the customer at the registration, after a 20,00 euros caution has been paid. It is strictly confidential and you are not allowed to give it to third parties. Moreover, you have to give the badge back to Front Office at the end of the vacation, after you received the caution back.

During all the vacation the Customer is responsible of badge and his car park. Loss or damage of badge cause the retention of the by the Front Office.

Receiving the badge and signing the form behind this regulation automatically mean that you accept this rules, the camping rules and their eventual changes.
